

#NotANewTrend

“Person centred care is thrown around a lot but it must be remembered! We should be focusing on it the entire time. It’s not a new trend.”

Group 37

Joslyn Dosanjh - Dentistry

Brechan Gray - Physiotherapy

Jessica Thean - Occupational Therapy

Kat Xie - Medicine

Michael Klinkhamer - Health Mentor

A word cloud centered on the phrase "person-centred care". The words are arranged in a circular pattern around the central text. The largest word is "person-centred care" in blue. Other prominent words include "communication" in red, "autonomy" in green, "quality of life" in pink, and "independence" in yellow. Smaller words include "advocacy" (vertical, blue), "health-care team" (blue), "accessibility" (red), "collaboration" (pink), "respect" (pink), "person vs patient" (pink), "open-minded" (green), "support" (vertical, blue), "community" (vertical, blue), "listen" (vertical, blue), "disability" (vertical, blue), "agency" (vertical, red), and "encouragement" (yellow).

Person-Centred Care

“Person-Centred care is thrown around a lot but it must be remembered! We should be focusing on it the entire time. It’s not a new trend! The person with the chronic condition is the real *expert*” - Michael Klinkhamer

qual·i·ty of life

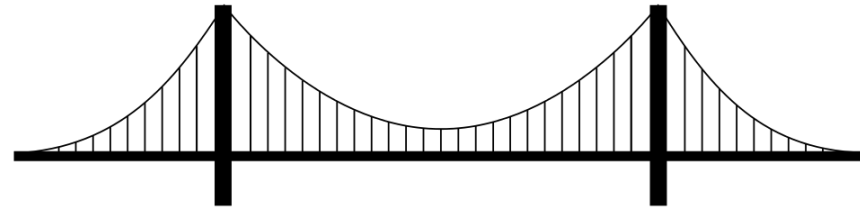

noun

1. the standard of health, comfort, and happiness experienced by an individual or group.

-

Healthcare providers

- Clinical goals
- Objective measurements and outcomes
- Following standardized guidelines

BRIDGE THE GAP!

The individual

- Personal goals and beliefs
- Shaped by upbringing, culture, and values
- Experts of their own lives

“I focus on living- not just prolonging life”- Michael Klinkhamer

Independence & Dignity

“You can be really good at providing care but bad at letting people live their lives”
- Michael Klinkhamer
