

# **Grief and the Healing Process**

Health issues don't discriminate. Collaborating with patients who have had to suddenly and unexpectedly reinvent themselves is key.

Group Mentor: Bruce Raber

Group 6 Members: Ashtyn DeBoice (Masters of Science in Speech-Language Pathology), Colby Draney (Master of Occupational Therapy), Melissa Krowchuk (Bachelor of Science in Nursing), Thumri Waliwitiya (Doctor of Medicine)

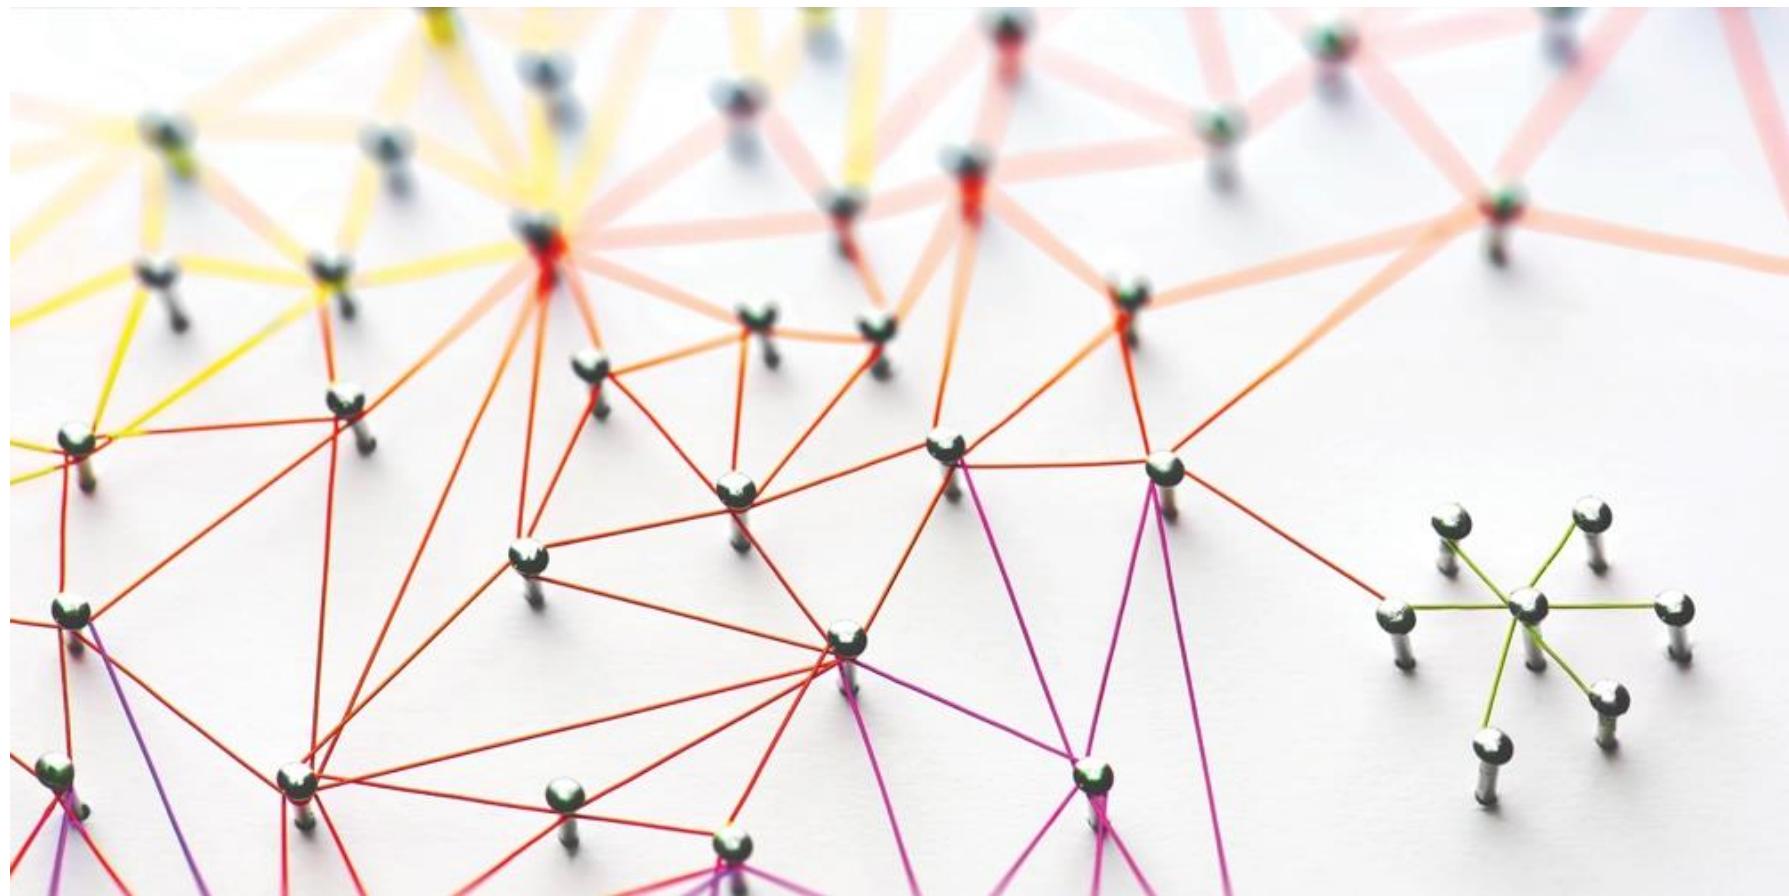

I want to  
THRIVE  
not just  
SURVIVE!
