Territorial Acknowledgement

An open white window with a view of a tropical beach and ocean. The window is open, showing a bright blue sky, a large green palm tree, and a turquoise ocean with white waves. The sun is shining brightly in the sky.

**Medical care results from standing
alone outside the window looking in.**

**Health care results when the window
is opened.**

About a Nursing Student

“Since time is an issue, I’m trying to finish my nursing classes in one weekend. All I have to do is read these books by tomorrow.”

Pillar 3: Education

Pillar 4: Team

A tropical beach scene viewed through an open white window. The window is white with a grid pattern and is open, revealing a bright, sunny day. The view outside shows a clear blue sky with a few white clouds, a vibrant turquoise ocean, and a sandy beach. A large palm tree with green fronds is visible on the left side of the frame, partially obscuring the view. The sun is shining brightly in the upper left quadrant, creating a lens flare effect. The word "Summary" is written in a bold, orange, sans-serif font in the center of the image.
