

“I have Spondyloarthritis, it
does not have me”

Group 9

Health Mentor: Don Bindon

Cayla Douglas (Occupational Therapy)

Eleanor Wearing (Nursing)

Jessica Jun (Medicine)

Kiara Lowes (Genetic Counselling)

Don's Journey with Ankylosing Spondylitis

Don has Ankylosing Spondylitis, a chronic arthritic condition

Symptoms began at age 35,
diagnosed at age 42

Early medications vs modern biologic
drugs

Career implications and lifestyle today

Student Reflections

Medical expenses

Diagnostic odyssey

Making assumptions as healthcare providers

Thank you!
